# Everglades Historical Village

- SAVE OLD BUILDINGS DAMAGED BY HURRICANE IRMA
- CREATE A FOCAL POINT FOR TOURISTS AND LOCAL LIFE

sketch thanks to Dayna Fendrick, Urban Green

*We want to establish an Historical Village in rural Everglades City, an outpost of Olde Florida, and need help with funding for this innovative & ambitious project.*

We envision that little buildings donated by owners will be moved to a site in town and rented to small businesses (eg, book store, boutique with local arts & crafts). It could also be an information center for our Chamber of Commerce.

We hope to include historic fishing boats and a garden of native plants with frequent sales including interesting orchids.
